

Technische Universität Berlin

Technische Universität Berlin (TUB) seek to appoint

2 Visiting Professors from Industry

for the faculties I, II, III, IV, V, VI, VII.

The number of visiting professorships can be increased, subject to allowance of financial means by the Berliner Programm zur Förderung der Chancengleichheit für Frauen in Forschung und Lehre (BCP).

The aim of the project: The project "Joint Programmes for Female Scientists & Professionals" (www.jointpro.tuberlin.de) promotes alternative career paths in academia for women and inter-sectoral collaboration. Visiting professorships aim at enabling women in research & development departments of business companies to build stronger networks with academia in order to increase the percentage of women at universities in the long term.

The visiting professorships can be filled full-time (100%) for 6 months or part-time (50%) for up to 12 months. The starting date for the professorships is April 2019. The salary is based on the salary scheme for guest lectures at TU Berlin.

Zentrale Frauenbeauftragte

Reference number: ZFA-461/18 (starting at 01/04/19 / until 31/08/2019 (full-time) or until 31/03/2020 (part-time; 50 %) / closing date for applications 16/09/18)

Working field: Research and teaching according to the candidate's area of expertise. Applicants are asked to pass their experience on to young female scientists in the framework of career events.

Requirements: Candidates should fulfill the formal requirements in compliance with §§ 113 and 100 BerIHG (Berlin Higher Education Act). Applicants should hold a university degree; scientific achievement must be proven by a PhD or particular ability to artistic work. Applicants should have at least 5 years of work experience, thereof at least 3 years outside university. Candidates must be currently employed in industry and possess research experience. Intended research and teaching activities must integrate well into the research and teaching profile of an existing chair or an institute at TU Berlin.

Further desired qualifications: Willingness to cooperate with other research areas at TU Berlin; gender and diversity competence; good command of English.

Further Information: For further information about the requirements and the selection procedure please visit www.jointpro.tu-berlin.de or contact the Head of the "Joint Programmes" office Charlotte Reinisch (charlotte.reinisch@tu-berlin.de; phone: +49 (0)30 314-24886).

Applications should indicate the **reference number** and include a motivation letter with a statement on intended teaching and research plans at TU Berlin, a CV, copies of certificates and diplomas, proof of work and research experience in the form of job references, or the like.

Please send these documents **until 16/9/2018** preferably via email (single pdf file) to Charlotte Reinisch (charlotte.reinisch@tu-berlin.de) or send your application in writing to Technische Universität Berlin, **Zentrale Frauenbeauftragte, Geschäftsstelle "Joint Programmes", Charlotte Reinisch, ZFA, Straße des 17. Juni 135, 10623 Berlin.**

Technische Universität Berlin strives to increase the proportion of women in research and teaching and therefore strongly encourages qualified female researchers to apply. Qualified individuals with disabilities will be favored.

Technische Universität Berlin is a certified family-friendly higher education institution, and our Dual Career Service offers assistance to you and your Family when relocating to Berlin.

Please send copies only. Original documents will not be returned.

The vacancy is also available on the internet at <http://www.personalabteilung.tu-berlin.de/menue/jobs/>
